

Uh oh! I thought I saw a T-Rex. It looks like it will take 10 shots to put him down. You will have to shoot him five times in the head and five times in the chest for a total of 100 points. If you hit Elmer, Daffy or me subtract 20 points.

**Practice
Target**
>>>>>

Please shoot
him in the
head. The
inner circle is
worth 10
points.

I'm out of boowits! The outer
circle is worth 5 points.
Anywhere on the body is worth a
point. Pwease huwwy and shoot.
