FOREWORD FOR FIRST DRAFT

1. PURPOSE

a. The purpose of FMFM 1-3B, Sniping, is to set forth doctrine, techniques, and procedures for the training and employment of snipers in the Fleet Marine Forces.

b. To provide a reference for developing courses of instruction and concepts of employment for snipers. This publication is made available to other Services for information and use as desired.

2. SCOPE

This publication complements FMFM 1-3, Basic Rifle Marksmanship, and FMFM 1-3A, Field Firing Techniques, and is designed for use in conjunction with those manuals. It covers the training, employment, and equipment of the Marine sniper.

3. SUPERSESSION

None.

4. CHANGES

Recommended changes for improving this manual are invited. Comments and recommended changes should be forwarded to the Commanding General, Marine Corps Development and Education Command, Quantico, Virginia 22134.

5. CERTIFICATION

Reviewed and approved this date.
