

OHIO PRECISION RIFLE COURSE  
FFP RANGE - JEFFERSON, OHIO  
Information and Recommended Gear Requirements

Congratulations on your decision to attend SNIPER'S HIDE Precision Rifle Course at FFP Range, 4021 Bulah Rd, Jefferson, OH.

Lodging - Holiday Inn Express, Ashtabula - Geneva, on Hwy 90 at State Rd 45. There are others close if you see another you'd rather stay at. They have full amenities, including a light breakfast.

This information will answer some of your questions about what you need to bring and what will be useful to have along but is not necessary for the Course. I've broken down the list into each activity.

**We meet the evening prior to your Day One.** For those of you who are traveling and staying overnight, meet at Clay St. Grill at 6:00 pm. It's on SR-45, just across Hwy 90 from the Hotels. This is a meet-and-greet, with dinner and cocktails / beers, where we will discuss Course events, get to know each other prior to the Course.

**Breakfast, Day One — 7:00 a.m.** Eat something. You'll need it.

**Classroom Instruction - 8:30 a.m. DAY ONE - FFP Range, 4021 Bulah Rd. Jefferson, OH. It's Googlable and can be mapped in your mapping program. Allow 20 minutes travel time from the Hotels.**

**You'll need:**

Note pad, pen, pencil

Rifle Data Book, zeroing pages, standard data pages, shooter's diary pages. A standard notebook will work.

Coffee Cup

Attire: Dress to shoot as we will transition to and from the range during classroom instruction. Absolutely NO AMMUNITION enters the Classroom, please.

**Range - Rifle, unloaded, bolt to rear, mag out. Bipod attached. Suppressor gets you “Star Player” treatment.**

Ammunition - 160-200 rounds for the course. Have it broken up so it is not being lugged around. TWO or more magazines recommended.

Shooting pad - with forward straps for bipod. Cabelas/Bass Pro offers a good one. \$60

Rear Bag - TAB GEAR small and/or large. The “light” one is problematic. Rectangular.

Your data book, with writing instrument. Can just be a note pad.

Weather Meter - Kestrel - Can be shared. Optional. I like the Kestrel model 5000.

Range Bag holding all of the day’s shooting essentials and SCOPE TOOLS.

Bottled water, thermos, etc.

Thermacell and backup cartridges, in case the mosquitoes are particularly bad.

**Lunch -**

Needs prior planning. There’s a grocery store there at Hwy 90. Bring lunch / drink.

**Inclement weather -**

Rain Poncho or rain gear

Light insulated jacket

Footwear for light mud. You won’t get overly muddy.

**Dinner -**

There are a couple options. We’ll make this call in the moment. This is a memorable part of the Course, as new friends are established over dinner and cocktails. This is where we gather to celebrate your hits and get to know each other better. Tip our server(s) well.

**Long Days -**

You will be getting your money’s worth. Expect long days, but with frequent breaks. We should have cell phone service (we hope) from the Range Classroom and the Line.

Day One will end approximately 4:30 p.m.

Day Two will end approximately 4:30 p.m.

**What’s expected of you -**

**Conduct yourself in a professional manner at all times.**

**Conduct yourself in a safe manner at all times.**

**Be respectful of all others at all times.**

Show up with a great attitude, with a precision rifle that YOU HAVE ZEROED to within one and one half inches at 100 yards. KNOW your rifle. Be able to load and fire it and be able to manipulate your scope with and / or without tools. Make sure all screws, including your pic rails, are tightened to spec.

Know your reticle, its subtensions, and know the operation of the elevation and windage turrets, whether it be MOA or MRAD based. Helpful to bring a printed copy of your reticle.

Your instructors will see to it that you receive quality instruction in a safe learning environment in order to become more proficient, predictable, precise and accurate with your rifle.

Instructors:

**Frank Galli, Marine Corps Sniper  
and Marc Taylor, Marine Corps Sniper Instructor**

**An NRA-Certified Range Officer will be at the Firing Line.**

**You ARE PURCHASING** a \$750 seat to training. It is just like a ticket to a rock concert in that if you decide not to attend for any reason, you should sell the seat in order to recover your cost. Your decision not to attend does not warrant a full or partial refund.

SHOULD THERE BE NO TRAINING HELD, YOU WILL RECEIVE A FULL REFUND

Should you have further questions or concerns, please contact Instructor Marc Taylor at (907) 952-4616. [SNIPERSHIDETRAINING@GMAIL.COM](mailto:SNIPERSHIDETRAINING@GMAIL.COM).

This is a “destination” event. We have your full attention for two full days, even away from the firing line. That aspect sets this training apart from others. You will forge new friendships while honing your precision rifle skills far beyond those of your peers.

Thank you for your interest. You will not be disappointed.

MARC TAYLOR
