

**What's in the Range Go Bag (double check night before trip):**

|  |
|--|
| Plenty of water in bladder and/or bottles (bring a couple extra gallons and leave in car)                  |
| Food/Snacks/Energy bars (if you're shooting hungry it can affect your accuracy)                            |
| Ammo   |
| Magazines  |
| Magazine Holster(s)  |
| Suppressor with cover  |
| Extra batteries: AA, AAA, CR2032 (scope illum.), CR123 (weapon lights), CR2 (LRF's)                        |
| Shooting glasses   |
| Hearing protection   |
| Shooting Gloves  |
| Rear Bags  |
| Slings   |
| Bipods (Atlas or Harris - one notch out for accuracy) with Talon Feet (Hawk Hill)                          |
| LRF – Laser Range Finder w/ extra batteries  |
| Kestrel or similar– Wind, Density Altitude, Temperature w/ extra batteries                                 |
| Ballistic Calculator (warning: smartphones can overheat in hot sun or lose battery over a day of use)      |
| Chronograph w/ extra batteries   |
| Tripod with rifle mount (Pig Saddle or RRS VYCE) or bipod leg extensions                                   |
| Shooting Pillow  |
| Bag for brass collection and brass catcher (if shooting AR)  |
| Wrist commander with DOPE card(s)  |
| Data Book and/or Rite in Rain notepad with waterproof ink pen  |
| Seasonal gear – hat, long sleeve shirt, poncho, windbreaker, shemagh, cold weather gloves/hand warmers     |
| Sunscreen  |
| Insect Repellent   |
| Cheap primer (gray) spray paint for steel targets  |
| Shoot N C dots   |
| Paper Targets (if shooting paper)*   |
| Staple Gun with extra staples  |
| Masking/Painters tape  |
| Tools – torque wrench/bits (everything to take apart rifle or pistol) – torque everything down before trip |
| Scope Tools (allen wrenches) and instructions on resetting zero, zero stop, etc.                           |
| MPA Magazine Lip Tool (to fix bent lips when dropped)  |
| Case Head Separation tool (for your caliber)   |
| Otis Field Cleaning Kit (for your caliber(s)) with take down rod   |
| Lubricant (get a good sealable bottle as this stuff can leak)  |
| Bore Cleaning Solvent (Wipe Out Patch Out or similar - get a good sealable bottle as this stuff can leak)  |
| Rags (old T shirts, etc.) for cleaning up messes   |
| Wet wipes (always handy for cleaning stuff, hands, etc.)   |
| Lighter fluid (for cleaning triggers)  |
| Matches and Firestarter kit (you never know when these will come in handy)                                 |
| Flashlight w/ extra batteries  |
| Small first aid kit, ace bandage, bacitracin, band aids, ibuprofen   |
| Zip ties (these are handy for all kinds of stuff)  |
| 550 Paracord (great as multipurpose rope, string, shoestring, etc.) with small carabiner(s)                |
| Trash bag and latex/nitrile gloves inside gallon Ziploc bag  |

Additional Items that don't go in the range bag:

- \* Target Stand (for paper targets) with extra target backer cardboard cutout
- Good boots for ankle and cactus protection
- Shooting Mat/Pad
