To our valued customers,

A year ago, Sportsman's Warehouse entered into a merger agreement with Great American Outdoors, parent company of Cabela's and Bass Pro Shops. Effective December 2, 2021, that merger agreement was terminated. We at Sportsman's Warehouse are excited to continue operating as a separate, independent and publicly-traded company (NASDAQ: SPWH).

As we enter 2022, we look forward to continuing our strong growth – adding more stores, improving [Sportsmans.com](#), and expanding our product assortment and services. Our mission to provide outstanding gear and exceptional service remains unchanged.

Gear up for unforgettable!
