

RAZOR® HD

13-39x56 SPOTTING SCOPE

ELEVATOR PITCH:

Built to seamlessly fit into the packs of today's weight-wary, backcountry hunters, the Razor® HD 13-39x56 perfectly balances premium optics and an incredibly compact package. The helical focus wheel highlights its snag-free profile and puts the power of this spotter's wide field of view at your fingertips. Arca-Swiss compatibility fits most tripods out-of-the-box, further simplifying your pack. Brilliant edge-to-edge color and clarity chew up vast landscapes, capturing every tine and tail twitch.

WHY DID WE MAKE THIS SPOTTING SCOPE?

To provide today's weight-conscious hunter a more compact Razor® HD spotting scope. With expanded features and improved optics, it pushes our Razor® HD line of spotters even farther into the highest tier of high-performance glass.

WHAT ARE THE TOP USES FOR THIS PRODUCT?

Hunting and observation.
