## ***This year's UBE Shooting Event will showcase:***

### **Corporate 5 Stand:**

- A highly competitive event open to business teams of 3 shooters with no two presentations the same. This event has seen some local domination over the past few years. Will this be the year for an upset or will the same ole' teams do it again? Along with terrific awards, winners will get bragging rights and encouragement to strut their stuff for the next 12 months. \$300 per team, each shooter must be employed by the entity.

### **Open 5 Stand:**

- Don't let the businesses hog all the fun here, be sure to get in a round of 5 Stand for yourself, too. 25 targets with no two presentations the same will combine your muscle memory, skills, and adrenaline for a quick and exciting challenge. Awards will be given for the top three individuals. \$55 per shooter for one round of 5 Stand.

### **Open Sporting Clays:**

- Whether you call it "golf with a shotgun" or "skeet in the woods" this event is for shooters of all levels. The course is 100 clay targets featuring simulated hunting presentations with lots of variability. Simple to learn, impossible to master, here is a game for everyone who likes to make noise and break clays. Memorable awards for the top 3 places and one for the cumulative champion. \$125 per shooter for one round of Sporting Clays.
